Headline:
Wet and windy, with frequent blustery showers, and sunny spells.

Today:
Another wet and windy day, with frequent heavy showers throughout, although patchy cloud allows for some sunny spells later in the day. Winds easing slightly from overnight, but conditions remain blustery with coastal gales possible. Maximum temperature 8 deg C (46 deg F).

Tonight:
Showers ease in the south this evening but return from the north to start the night. Showers mostly clear later, although a few light ones may persist. Winds weaken slightly. Minimum temperature 4 deg C (39 deg F).

Sunday:
A largely dry start, and sunny spells for some. Widespread rain approaches in the afternoon, before clearing through the evening. Largely dry overnight, remaining windy. Maximum temperature 10 deg C (50 deg F).

Outlook for Monday to Wednesday:
Largely dry with patchy cloud Monday, with winds easing. Rain and drizzle Tuesday morning, but some sunshine later. Dry and bright Wednesday, with light winds, turning milder.
